EXPERIENCE

NOVA GROUP GBC Remote
Construction finance and loan servicing firm supporting lenders and borrowers. May 2024 – August 2025
Assistant Construction Engineer

- Reviewed hundreds of construction loan draw requests ranging from ~$100k to several million dollars, conducting financial and project-level due diligence through analysis of inspection reports and supporting documentation.
- Coordinated with lenders, borrowers, site inspectors, and contractors to facilitate draw disbursements and resolve documentation and construction progress discrepancies.
- Analyzed project-level P&L statements and supported accounts receivable recovery efforts, monitoring outstanding balances and coordinating with clients to resolve payment issues.
- Collaborated with internal team members and external stakeholders to monitor construction projects, communicate project updates and address issues affecting loan administration.

PELAGE PHARMACEUTICALS
Pharmaceutical Startup Los Angeles, CA
Market Research Intern Summer 2022

- Conducted competitive analysis of 5-6 prescription and natural hair regrowth companies, evaluating product offerings, pricing, market positioning, and competitive differentiation.
- Researched FDA documentation to assess competitors and inform product and market analysis.
- Conducted preliminary market-sizing analysis to evaluate market opportunity and potential customer segments
- Collaborated directly with the CEO to synthesize competitive, regulatory, and market research incorporated into investor materials for the company's $10 million initial funding round.

RELIANT IMMUNE DIAGNOSTICS
Telehealth Startup Remote
Project Intern September 2021 – March 2022

- Analyzed health insurance coverage by state to identify leading insurers and evaluate geographic market concentration
- Compared partner physicians' insurance coverage against state-level market data to assess network alignment and ensure representation among leading insurers
