LOS ANGELES

A partnership of two distinguished universities, preparing

UCLA Anderson School of Management is regarded as one of the leading management schools in the world. Renowned for teaching excellence and research in advancing management thinking to enhance the career of the ambitious executive.

you to rise to the forefront of the world economy

The **National University of Singapore Business School** is a globally admired institution offering the best of global knowledge with deep Asian insights, preparing students to lead Asian businesses to the forefront of the world economy and to help global businesses succeed in Asia.

Meet some of Our Renowned Faculty

CARLA HAYN

Professor of Accounting
UCLA Anderson School of Management

Carla Hayn's teaching philosophy prioritizes quantitative transparency in corporate governance. Hayn's research is in the areas of financial reporting and disclosures, the effect of accounting numbers on stock prices, and mergers and acquisitions. She is the director of International Initiatives for UCLA Anderson.

CHRISTOPHER TANG

UCLA Distinguished Professor;
Edward W. Carter Chair in Business Administration
UCLA Anderson School of Management

A foremost scholar of the complexities of supply chain management, Distinguished Professor Christopher Tang has published an astounding body of work, including five books and more than 100 academic articles. He has taught executive programs in more than 15 different countries.

With an incomparable breadth of real-world experience, our faculty are recognized for their published research and they actively consult as high-level advisers to businesses and governments worldwide.

Our faculty provide a fresh perspective and help you see problems in a new light. The face-to-face learning experience and guidance that come with a small class size will benefit you immensely.

KULWANT SINGH

Professor of Strategy and Policy;
Board Member of Executive Education
NUS Business School

Renowned for his teaching excellence, academic leadership and extensive research at the National University of Singapore, Professor Kulwant Singh's fields of interest and expertise include firm adaptation to exogenous shocks, particularly in firm alliances, and strategy in the Asian-Pacific region.

LUH LUH LAN

Professor of Strategy and Policy;
Academic Director for the UCLA-NUS Program; Associate Professor of Law
NUS Business School and Faculty of Law, NUS

Luh Luh Lan's joint position with the NUS business and law programs makes her a fundamental player in the UCLA-NUS program. With expertise in corporate law and finance, coupled with a unique perspective on ancient Chinese strategy, Lan is a highly sought-after speaker and lecturer around the world.

A Program You Can Balance

In this innovative 15-month program designed for global executives, classes convene for two weeks at a time every three months, for a total of six sessions.

How It Works

Fly to a designated global destination from anywhere in the world.

Fully commit to the curriculum during your two-week in-class sessions.
Between sessions, complete group projects, readings and video lectures.

Return to your job with richer perspectives and immediately apply what you have learned.
