UCLA Transfer Students

Admission Requirements for the Accounting Minor Program

Visit: Accounting Minor Program | UCLA Anderson School of Management

Applications are accepted in fall, winter, and spring quarters with strict deadlines. Admission to the minor is competitive and all admission decisions for the minor are made by the UCLA Anderson Graduate School of Management Accounting Area.

Please note that many of the lower- and upper-division courses for the minor require requisites, and students should plan their studies accordingly in advance of applying to the minor.

Admission Requirements for Transfer Students

To enter the minor, students must:

- Have completed 90-units of study prior to entry into the minor at UCLA or as an accepted UCLA transfer student.
- Be in good academic standing with a minimum cumulative UCLA grade-point average or equivalent (for transfer students) of 3.0 or better.

  Transfer students whose GPA is not at least 3.0 UCLA GPA, may only apply to the minor after they have completed two regular academic quarters at UCLA, and have completed MGMT 120A Intermediate Financial Accounting I and MGMT 122 Management Accounting, with a grade of B or better in each.
- Have achieved grades of B or better in both MGMT 1A Principles of Accounting and MGMT 1B Principles of Accounting or their equivalents. Students who did not achieve these grades must take MGMT 120A Intermediate Financial Accounting 1 and MGMT 122 Management Accounting and earn a grade of B or better in each before being admitted to the minor.
- Complete the minor application form.

Please Note:

- The Writing II course is not part of these GPA calculations.
- It is strongly recommended that students complete any Writing II course prior to enrolling in the minor.
- Students should consult with their College or School regarding policies or restrictions on pursuing minors outside of their College or School. Students in the College are permitted to add a minor if they can still graduate on time.
- Only one lower-division minor course or Management 1A or 1B, and one upper division course repeat are allowed.
- Satisfaction of these requirements does not guarantee admission to the minor.

Transfer Credit:

Students are allowed to complete the Management 1A and 1B and the lower-division course requirement for the minor at another institution. All upper division coursework MUST be taken at UCLA. If you have not yet enrolled in a course at another institution, please check the Transferology.com website BEFORE enrolling. This will show if the course you are interested in taking is equivalent to a course at UCLA. If the course is not equivalent to a course at UCLA, please contact the Undergraduate Accounting Minor Program through MyUCLA Message Center.

If you have already completed courses at another institution, please send all transcripts to the UCLA Admissions Office. If the UCLA Admissions Office has not recognized the courses you took as equivalent to any courses offered at UCLA, please email a detailed syllabus of the course through MyUCLA Message Center to the Undergraduate Accounting Minor Program Office for approval. ***Transfer credit is subject to department approval and is considered only for the Management 1A and 1B and the lower-division minor course.***
