We understand that the frustrations of apartment hunting are universal, but share a belief that it doesn’t have to be. We know what makes an apartment truly feel like home is unique for each person and that’s why our focus is on bringing you personalized recommendations based on timely, relevant, and real user reviews. We’ll be there every step of the way to help you find your perfect apartment.

NEIGHBORHOODS EXPLAINED
An overview of the most popular neighborhoods for UCLA Anderson students

1. Sawtelle
50% of Anderson Students
Residents here are usually students or other university affiliates. All enjoy the convenience of living near a lot of action and are willing to endure the traffic and street noise that goes along with all the fun.

2. Westwood
25% of Anderson Students
Because of its proximity to UCLA, its attractive scenery within Westwood Village, and its effortless blend of sophistication and authenticity, Westwood is a very popular and active neighborhood.

3. Mar Vista
10% of Anderson Students
Renters here consider the neighborhood to be family-friendly and safe. Limited access to both public transit and nearby restaurants make this neighborhood less attractive to those without access to a vehicle.

4. Santa Monica
10% of Anderson Students
Santa Monica is great for students who want to live in a walkable, safe area by the beach and still have good nightlife and dining options. The neighborhood hosts fewer students than other areas due to the timely commute to the UCLA campus and the difficult parking situation.

Other Neighborhoods
less than 5% each
5. Bel Air
6. Palms
7. West LA
8. Mid City West
Sawtelle
Close To UCLA And The Beach

ABOUT SAWTELLE

Sawtelle is a popular option for UCLA students looking for proximity to campus and a short trip to the beach. While there are many great restaurants and shops in the area, some of them cater to a slightly older clientele and can be a bit pricey.

WHAT RESIDENTS THINK ABOUT SAWTELLE

🌟🌟🌟🌟 Review by Anderson Student  AMHERST ROCHESTER

Within a few blocks walking to the primary bars that Anderson events are held at. The neighborhood is fairly residential and quiet, but not too far from some good restaurants and bars in Brentwood and Santa Monica. The great thing is that so many classmates tend to live nearby. Less than 3 miles from the ocean at Santa Monica.

🌟🌟🌟🌟 Review by Anderson Student  COLBY MISSOURI

Everything you need. Coffee shops, restaurants, a couple of bars. It also has a suburban feel if you like a more reserved neighborhood.
Westwood
Scenic LA Neighborhood

ABOUT WESTWOOD

Westwood offers very close proximity to the UCLA campus and a relatively walkable environment within Westwood Village. The nearby green spaces and the overall safe feel of the neighborhood make it a great option for families with young children and pets. Though Westwood is a relatively affordable area, in true LA fashion, the neighborhood still manages to maintain a measure of high-end charm.

Review by Student

Quiet and pretty neighborhood very close to Westwood blvd restaurants, coffee, dry cleaning, grocery stores. Just cross Wilshire blvd past the Equinox to enter Westwood Village. Street parking typically easy to find. Does not have quite the same concentration of MBAs as Sawtelle/Brentwood.

⭐⭐⭐⭐⭐
Review by Anderson Student

Westwood is close to almost every place you will want to go while in business school! It is sitting between the beach (Santa Monica and Venice) and Hollywood, so driving on either direction won’t take you hours.
ABOUT MAR VISTA

Mar Vista is a low-key, residential neighborhood with convenient access to roads stretching all over West LA. A short drive to stores or the UCLA campus and a straight shot down Venice Blvd to the beach are huge pulls for the residents. The area is popular with students and young families who enjoy the laidback feel of the area.

WHAT RESIDENTS THINK ABOUT MAR VISTA

Review by Anderson Student

There is a walkable strip with apartments, restaurants, etc. Much more car-oriented than big cities like NYC, Boston, SF, etc. Easy bike ride to Venice or Culver City which have a lot more to offer. Commute to UCLA is 30-45 minutes by shuttle or by car, and about the same by bike.

Review by Student

Further from campus/MBA bars. Quieter neighborhood, mostly families and single-family homes nearby. Close to multiple grocery stores. Easy access to main roads/405.
Santa Monica
Coastal City With A Lot To Offer

ABOUT SANTA MONICA

Santa Monica is an iconic West LA neighborhood nestled right into the coast. You can enjoy upscale retail and restaurants on the Third Street Promenade, stroll down the Santa Monica Pier and visit the Pacific Park amusement park, and enjoy relaxing waves on the beach all in this beautiful city.

“The convenience of Weyburn housing is great for walking to campus everyday (bus & bike access too) and makes it easier to relocate from far away since it is refurnished. The facilities aren’t the newest, but they are plenty sufficient for living and cooking. There are a lot of Anderson students in the complex and it can provide opportunities to connect with the greater graduate student community at UCLA.”

MIDVALE APARTMENTS

9.8 OVERALL RATING

Review by UCLA Anderson MBA Student
“We found this apartment complex while batch cold-calling apartment buildings in Westwood -- it’s worth calling directly if you don’t find updated listings online. Our $2700 rent covers all the standard 1BR features + our 2nd story loft and our very spacious rooftop patio. We *love* our apartment. Other suites on lower levels are cheaper and noticeably more spacious than nearby alternative complexes for the price point.

Convenient 3 minute walk to the U2 BruinBus stop (which is completely free transportation to UCLA campus). Basement gym. Communal rooftop sundeck area (adjacent to the private rooftop patios). Garage parking space included. Solely managed by charming and responsive Austrian expat. Nice quiet neighborhood close to campus, grocery store, and restaurants. No pool/hot tub.”

FINDING AN APARTMENT IN LA
Advice from previous international students

Search tips:

“Most landlords require a credit check, so it’s easier to live in university housing for the first year.”

“I suggest international students to set up key priorities for housing such as social, location, rent fee, etc.”

“Find another admitted/current student to help you by visually inspecting the apartment. Apply as early as you can and continually check in on your application.”

Location advice:

“Look for places close to supermarkets, restaurants, and public transportation.”

“Opt to live closer to where other international students live or where the rest of the Anderson MBA community decides to live.”

“If you’re moving in with family, make sure you pick a location that can help your partner integrate and engage with the community.”

Apartment recommendations:

“For international students, if you are married, the best place to live in LA is University Village!”

“Most definitely, look at University Village. Location, amenities, community are all fabulous.”

“I think Weyburn Terrace Paseo is a very good solution, especially as a first year.”

Westwood Village has everything you need - tons of grocery stores, bars, and a Target. I also love that I can walk to Anderson campus in about 20 minutes or bike in about 10 minutes.”

Understanding
THE RENTING PROCESS

If this is your first time renting, here is a heads up on what the process is like:

Application process
You will be asked to fill out an application for an apartment. Likely this will include an application fee ($30-50) and potentially a deposit (up to one month’s rent). If you’re an international student, you may have to provide alternate information - in the absence of a social security number, bank accounts, etc., often landlords will accept your visa documents and acceptance letter. Landlords will use your information to approve you based only on your credit history and income. In the event where there are issues, a landlord may grant the application on the condition that a guarantor cosigns the lease.

After you're approved
A landlord will often ask for a security deposit and prepaid rent. A landlord typically charges up to two months’ rent as a security deposit and will ask for up to two months in prepaid rent. Anything beyond this is more than normal. At the end of your lease and after you give proper notification that you are moving out (typically 60-90 days), the landlord has 30 days to return the security deposit at the end of the lease. The landlord may not return the deposit in full if there are claimed damages to the property or other charges outstanding.

What to look out for
Check for additional charges or obligations that could cost you more than the listed price of a property. This could include move-in/move-out fees, renters insurance requirements, condo fees, common electrical fees, etc. Definitely ask about what previous electrical/utility bills have been to get a feel for any additional monthly costs there may be. Be sure to research the landlord and management company before placing any sort of deposit. If you have any specific questions, feel free to reach out to us at contact@veryapt.com.
