

TECHNOLOGY @ ANDERSON

» ACADEMICS

Students interested in **Technology** must be able to understand innovation, finance, operations, management, and the overall industry. Students should understand how to start a venture, raise funds and lead the enterprise. By exploring verticals such as financial services, health care, education, and entertainment, students are prepared to work in any industry from startups to large global corporations.

Specializations: Technology Leadership, Entrepreneurship

The Tech Business Association at Anderson (AnderTech) is the gateway to the tech industry for MBA students at the UCLA Anderson School of Management. AnderTech enables Anderson students to launch or advance their careers in the tech industry or in tech-related roles. The club leverages internal and external resources, such as the Easton Technology Management Center and alumni, to provide differentiated educational and community experiences, and prepare members to be leaders in their post-MBA careers.
