VeryApt was born from the simple realization that the small things about an apartment are often the most important: a friendly doorman, lots of sunlight in the living room, a running trail nearby, or that amazing hole-in-the-wall Thai restaurant across the street. We know what makes an apartment truly feel like home is unique for each person and that's why our focus is on bringing you personalized recommendations based on timely, relevant, and real user reviews. Great location right in the heart of Westwood. Plenty of restaurants, bars, and whatever else you are looking for. 📍 NEBRASKA AVE

This neighborhood has a lot of UCLA Anderson students, it's close to campus, as well as some good ramen and bar options. I like living in this area because even though I don't have a car, I can always find a ride with a fellow student in the area or take the bus which is very close. Also, I like being within walking distance of restaurants.

Review by [Anderson Student](#)

📍 ARMACOST TOWER

Sawtelle is in the perfect location for Anderson students. It's a 10 to 15 minute drive to campus and has easy access to public transportation. It has its own fun social scene but is also very close to Santa Monica and West Hollywood isn't too far away.

# Mar Vista

A short drive to stores or the UCLA campus and a straight shot down Venice Blvd to the beach are huge pulls for the residents. 📍 3601 HUGHES

Palms is nice and super close to Culver City. You're about halfway between Santa Monica and DTLA, so it's easy to get to either one. I have never had any issues with safety and there are grocery stores within walking distance along with a bunch of restaurants.

Review by [Anderson Student](#)

📍 CLARINGTON APTS.

I love living in this area. I lived in Culver City before, and now live just over the border in Palms. It's further from campus than where most Anderson students live, but it is also less expensive. I like having a little distance from campus, and living in an area with so many great bars and restaurants.

# Townhomes

## Smaller properties and how to find them

### ABOUT TOWNHOMES

Townhomes are apartments in older buildings, typically a few stories tall. They usually do not have a doorman, an elevator, or many amenities, but can be cheaper and more spacious than the apartment and condo units in high-rises.

#### WHY YOU SHOULD CONSIDER A TOWNHOME

CHEAPER

LARGER FLOOR PLANS

3+ BEDROOMS AVAILABLE

MORE PRIVACY

#### WHY YOU MAY WANT TO AVOID A TOWNHOME

NO DOORMAN

LESS CONVENIENT LOCATIONS

OLDER CONSTRUCTION

LIMITED AMENITIES

MORE MAINTENANCE ISSUES

### Finding a townhome

Townhomes can be challenging to find because they tend to be individually owned and do not have full time leasing managers. Townhome listings are typically available ~60 days in advance. You can find a townhome by searching online listings, contacting a landlord directly, or by working with VeryApt's Concierge Team who can help identify some options.

### Preparing for a townhome search

Most UCLA Anderson students opt for larger properties in order to live closer to other students and simplify the housing search. That said, there are plenty of wonderful townhomes - be prepared to visit more properties to find that perfect home, carefully examine the pros/cons, and move quickly if you find a unit you love.

### TIPS AND ADVICE

#### Reliable Landlords

Check online reviews and talk to previous tenants to find out about your landlord. Look for one that responds quickly to maintenance requests and has a history of returning deposits.

#### Noise and Neighbors

Sounds often travel well through townhomes and you can easily be disturbed by barking dogs, music, or construction. Check out the surrounding area to get a sense for what it may be like.

#### Lease Terms

Leases with independent landlords are negotiable. Check your lease for restrictions on sub-letters and visitor policies. You may be able to avoid a rent increase by locking in a longer lease.
